+91-9956661751

Profile

Aspiring to attain a career where I can express my zeal for art. Passionate about 3D lighting, texturing, shading, compositing, color correction/grading, photography and music.

Education

- **Bachelor of Arts** in 3D Animation and Visual Effects.
- **Diploma** in Digital Film-making.

Experience

- **Junior 3D Consultant** - Sparrow Interactive, New Delhi, India
October 2014 - present.
- **3D Generalist** - Element 6, Hyderabad, India.

Skills

- All aspects of lighting, shading, texturing and rendering.
- Digital matte painting and compositing.
- Editing (film, video and digital).
- Photo manipulation and texture creation.
- Motion graphics and 2D graphic design.

Software proficiency

3DS Max, Maya, Vray, Mental Ray, Photoshop,
After Effects, Premiere Pro, Fusion.

Achievements

Winner - Photography at a national level competition
organized by Dainik Jagran & Travel Magazine.

Winner - Photography (2 consecutive years) at center level events.

Winner - 3D lighting & texturing (2 consecutive years) at
Kriti, a center level event.

Winner - Student of the month award for June 2013,
MAAC Kanpur. Made a CG Product commercial titled
'The Unbroken Tradition'.

Got featured as the '**Artist of the Month**' on an online CG forum
consisting over 15,000 artists from around the globe.
